Student Comments

- 8) Please comment on the strengths of the course and the instructor.

We covered the most important part of the book, which was very helpful when writing a document. We got feedback of our work, which sometimes we also discussed in class, getting in such a way feedback addressed to other classmates. This made the ~~ter~~ understanding process more complete.

- 9) Please point out any areas for improvement.

For my needs, it was fine as it was.
