

## Course Attendance Form Graduate School

You can register your credits by using this form for each and every course you participate in.

This form can also be used as a proof of participation for courses followed outside of the Graduate School (GS).

**N.B.** Use the other side of this form to keep track of your own attendance if you are following a **doctoral course** that is more than one session. This will determine the number of credits that the trainer will sign for.

I, as main lecturer/trainer, hereby confirm the full participation/attendance in the course:
